

# HIQ GRMS HW selection table

## HIQ controllers & IEX Modules

| name                                  | description   | code      | status    | mounting                           |
|---------------------------------------|---|-----------|-----------|------------------------------------|
| <a href="#">Master Controller</a>     | 230 VAC, 11 IO, Enocean, 2 × RS232, RS485, IEX2 terminals | MC-230-01 | available | Cabinet; DIN rail 6 M              |
| <a href="#">Master Controller</a>     | 230 VAC, 11 IO, 2 × RS232, RS485, IEX2 terminals          | MC-230-02 | available | Cabinet; DIN rail 6 M              |
| <a href="#">Blinds controller</a>     | Single blinds controller                                  | BC-1-IQ   | available | In-field; flush box                |
| <a href="#">Scene Touch Panel</a>     | touch 4 scene controller                                  | SC-4T-IQ  | available | In-field; 3M rectangular flush box |
| <a href="#">Scene controller</a>      | 4 scene controller, using various brands push buttons     | SC-4S-IQ  | available | In-field; flush box behind buttons |
| <a href="#">Touch thermostat</a>      | Touch room thermostat                                     | TH-1T-IQ  | available | In-field; 3M rectangular flush box |
| <a href="#">Fan-coil controller</a>   | 3 speed fan and valves controller                         | FC-1-IQ   | available | In-field; fan-coil                 |
| <a href="#">HIQ controller</a>        | 24 VDC, 23 IO, 2 × RS232                                  | HC-IQ     | available | Cabinet; DIN rail 6 M              |
| <a href="#">GRMS expansion module</a> | 10 DI, 10 relay DO expansion                              | HR-EX-IQ  | request   | Cabinet; DIN rail 6 M              |
| <a href="#">GRMS expansion module</a> | 12 DI + 6 DI/DO + 6 D/AI expansion                        | HR-PB-IQ  | request   | Cabinet; DIN rail 6 M              |
| <a href="#">Card reader interface</a> | 2 channel card reader module, 2x output, 4x input         | CR-W2-IQ  | available | Cabinet; DIN rail 4 M              |
| <a href="#">Master Controller</a>     | 230 VAC, 14 IO, RS485, 2 Wiegand                          | MC-230-W  | request   | Cabinet, DIN rail 6M               |

## Touch panels

| name                        | description            | code     | status    | mounting |
|-----------------------------|------------------------|----------|-----------|----------|
| <a href="#">Touch panel</a> | myHIQ 8.9' touch panel | TP-9A-IQ | available | Desktop  |
| <a href="#">Touch panel</a> | myHIQ 7' touch panel   | TP-7A-IQ | available | Desktop  |

## HI-bus modules

| name                             | description                      | code     | status    | mounting              |
|----------------------------------|----------------------------------|----------|-----------|-----------------------|
| <a href="#">Touch thermostat</a> | Touch room thermostat, black     | TH-HI    | available | On wall, UK flush box |
| <a href="#">Key-card holder</a>  | Key-card holder, black           | KH-HI    | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 2 touch buttons, black           | B2-HI-01 | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 2 touch buttons, white           | B2-HI-02 | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 4 touch buttons, black           | B4-HI-01 | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 4 touch buttons, white           | B4-HI-02 | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 6 touch buttons, black           | B6-HI-01 | available | On wall, UK flush box |
| <a href="#">Touch buttons</a>    | 6 touch buttons, white           | B6-HI-02 | available | On wall, UK flush box |
| <a href="#">Room info panel</a>  | DND and MUR touch buttons, black | IP-HI    | available | On wall, UK flush box |

| name                                | description  | code  | status    | mounting              |
|-------------------------------------|--|-------|-----------|-----------------------|
| <a href="#">Corridor info panel</a> | Room number, DND and MUR indicator, doorbell touch button, black | CP-HI | available | On wall, UK flush box |
| <a href="#">Door bell</a>           | Electronic doorbell, black                                       | DB-HI | available | On wall, UK flush box |

## Access control

| name                                | description                                 | code    | status    | mounting                                 |
|-------------------------------------|---|---------|-----------|--|
| <a href="#">USB Card reader</a>     | External USB RFID card reader               | CR-USB  | request   | Desktop                                  |
| <a href="#">Micro card reader</a>   | Micro RFID card reader module               | CR-MR   | available | In-field; flush mounted, 20mm round hole |
| <a href="#">RFID card</a>           | RFID card                                   | CD-R    | request   | Handheld                                 |
| <a href="#">Card reader</a>         | RFID card reader, white                     | CR-TR-W | coming    | In-field; 2M rectangular flush box       |
| <a href="#">Card holder</a>         | RFID card holder, white                     | CH-TR-W | coming    | In-field; 3M rectangular flush box       |
| <a href="#">Glass card reader</a>   | RFID card reader, black                     | CR-HR-B | coming    | On wall, UK flush box                    |
| <a href="#">Card holder</a>         | RFID card holder, black                     | CH-HR-B | coming    | On wall, UK flush box                    |
| <a href="#">Card reader</a>         | RFID card reader, black                     | CR-TR-B | coming    | In-field; 2M rectangular flush box       |
| <a href="#">Card reader</a>         | RFID card reader, silver                    | CR-TR-S | coming    | In-field; 2M rectangular flush box       |
| <a href="#">Card reader</a>         | RFID card reader, ivory                     | CR-TR-I | coming    | In-field; 2M rectangular flush box       |
| <a href="#">Glass card reader</a>   | RFID card reader, white                     | CR-HR-W | coming    | On wall, UK flush box                    |
| <a href="#">Card holder</a>         | RFID card holder, black                     | CH-TR-B | coming    | In-field; 3M rectangular flush box       |
| <a href="#">Card holder</a>         | RFID card holder, silver                    | CH-TR-S | coming    | In-field; 3M rectangular flush box       |
| <a href="#">Card holder</a>         | RFID card holder, ivory                     | CH-TR-I | coming    | In-field; 3M rectangular flush box       |
| <a href="#">Card holder</a>         | RFID card holder, white                     | CH-HR-W | coming    | On wall, UK flush box                    |
| <a href="#">QR code reader</a>      | QR code and RFID card reader, black         | QR-FR-B | available | On wall, UK flush box                    |
| <a href="#">Touch keypad</a>        | Touch keypad and RFID card reader, black    | TK-FR-B | request   | On wall                                  |
| <a href="#">Rugged keypad</a>       | Rugged keypad and RFID card reader, silver  | RK-FR-S | request   | On wall                                  |
| <a href="#">Mortise lock</a>        | EN Electromechanical Lock                   | EL-ML   | request   | Door leaf                                |
| <a href="#">Electric strike</a>     | Electric strike, 24 VDC                     | EL-ST   | request   | Door frame                               |
| <a href="#">Magnetic lock</a>       | Magnetic lock, 280 kg                       | EL-M3   | request   | Door frame - leaf                        |
| <a href="#">Wireless connection</a> | Wireless power supply and control for locks | EL-PW   | request   | Door frame-leaf                          |

## Accessories

| name                         | description                  | code  | status    | mounting              |
|------------------------------|------------------------------|-------|-----------|-----------------------|
| <a href="#">Power supply</a> | 24 V DC / 3.8 A power supply | PS-IQ | available | Cabinet; DIN rail 5 M |

| name                     | description  | code           | status    | mounting              |
|--------------------------|--|----------------|-----------|-----------------------|
| Power supply             | 12 V DC / 2.1 A power supply                       | PS-12-30-IQ    | available | Cabinet; DIN rail 1 M |
| Power supply             | 12 V DC / 4.5 A power supply                       | PS-12-60-IQ    | available | Cabinet; DIN rail 5 M |
| Buttons                  | 2 mini buttons (for mounting on terminals)         | CAD-2-BUT-IQ   | available | On teminals           |
| Push button illumination | white LED illumination (for SC)                    | CAD-SW-LED-IQ  | available |                       |
| Serial converter         | RS232 to RS485 serial converter                    | CAD-232-A2-IQ  | available | Cabinet; DIN rail 2 M |
| Bus extender             | connection between RJ9 and cable, surge protection | CAD-BE-PROT-IQ | available | Cabinet; DIN rail 2 M |
| Bus cable                | 2.5 cm RJ9 to RJ9 bus cable                        | CAD-P0-IQ      | available |                       |
| Bus cable                | 2 m RJ9 to RJ9 bus cable                           | CAD-P2-IQ      | available |                       |
| Motion sensor            | Indoor PIR motion sensor                           | IR-580-IQ      | available | In-field; on wall     |
| Temperature sensor       | 2m wire  | ES-P-IQ        | available |                       |
| Temperature sensor       | Aluminum housing IP 67, 5m wire                    | ES-A-IQ        | EOL       |                       |
| Temperature sensor       | Steel tube housing IP 67, 5m wire                  | ES-B-IQ        | available |                       |
| Temperature sensor       | white housing, terminals                           | ES-W-OW-WHITE  | available | In-field; on wall     |
| Temperature sensor       | ivory housing, terminals                           | ES-W-OW-IVORY  | available | In-field; on wall     |
| Light driver             | universal 230 VAC light driver                     | LUD12-IQ       | request   | Cabinet; DIN rail 1 M |
| LED stripe               | warm white, 24 VDC, 9 W/m                          | LS-24-WW       | request   |                       |
| LED stripe               | RGB+WW, 24VDC, 9 W/m                               | LS-24-RGBWW    | request   |                       |
| LED power supply         | 24 VDC, 100W                                       | LP-24-100      | request   | In-field; on-wall     |
| LED power supply         | 24 VDC, 240W                                       | LP-24-240      | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 480W                                       | LP-24-480      | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 600W                                       | LP-24-600      | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 100W, dimmable                             | LP-24-100-D    | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 240W, dimmable                             | LP-24-240-D    | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 480W, dimmable                             | LP-24-480-D    | request   | In-field; on wall     |
| LED power supply         | 24 VDC, 600W, dimmable                             | LP-24-600-D    | request   | In-field; on wall     |
| Power relay              | 230 VAC, 2 × NO 20A                                | IK20-20-230    | request   | Cabinet; DIN rail 1 M |
| Power relay              | 230 VAC, 4 × NO 25A                                | IK25-40-230    | request   | Cabinet; DIN rail 4 M |
| Opening sensor           | Magnetic door / window opening sensor              | MOS-01         | request   | Door / Window frame   |
| Opening sensor           | Magnetic door / window opening sensor              | MOS-02         | request   | Door / Window frame   |
| Power supply             | 24 V DC / 1.5 A power supply                       | PSM-30-24      | available | DIN rail              |
