

Power relay

	Rated current	Control voltage	Order code
 <p>The image shows a 2-pole Iskra IKA20-20 power relay. It is a compact, rectangular device with a white top and a green bottom section. The top section has two screw terminals labeled '1' and '3' under the 'A1' label. The bottom section has two screw terminals labeled '2' and '4' under the 'A2' label. The front panel features the Iskra logo, the model number 'IKA20-20', and the rated current 'I_n:20A'. A small diagram on the front shows the internal wiring connections between the A1 and A2 terminals.</p>	2P, 20 A	230 VAC	IK20-20-230
 <p>The image shows a 4-pole Iskra IKA20-20 power relay. It is a compact, rectangular device with a white top and a green bottom section. The top section has two screw terminals labeled '1' and '3' under the 'A1' label. The bottom section has two screw terminals labeled '2' and '4' under the 'A2' label. The front panel features the Iskra logo, the model number 'IKA20-20', and the rated current 'I_n:20A'. A small diagram on the front shows the internal wiring connections between the A1 and A2 terminals.</p>	4P, 25 A	230 VAC	IK25-40-230
