

# Power supply

## 12 V DC / 1.25 A power supply

|               |                 |
|---------------|-----------------|
| Model number: | <b>PS-15-12</b> |
| Mounting:     | DIN rail        |
| Dimensions:   | 93 x 25 x 56 mm |

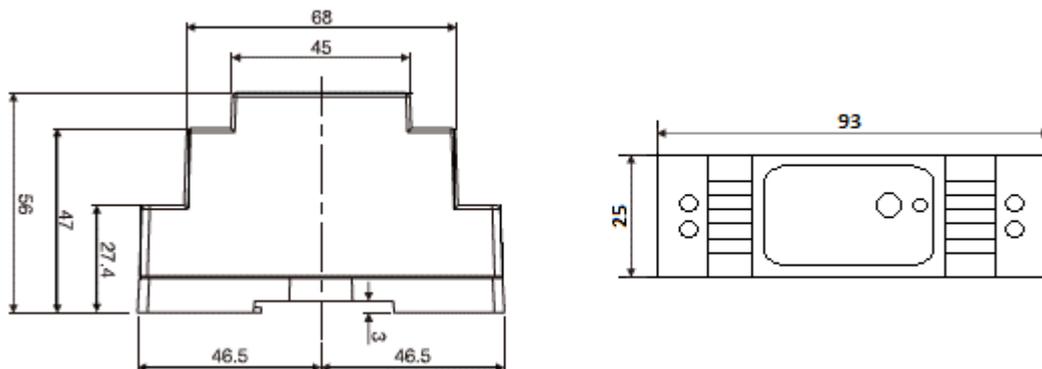

## Highlights & Features

- Universal AC input voltage and full power up to 50°C
- Efficiency > 84.0% @ 230Vac

## Technical specification

|                       |                                              |
|-----------------------|----------------------------------------------|
| Input voltage range   | 85 - 264 VAC                                 |
| Output voltage        | 12 VDC                                       |
| Output current        | 1.25 A                                       |
| Rated Current         | 15W                                          |
| Voltage adj. range    | +/-10%                                       |
| Voltage tolerance     | +/-1%                                        |
| Input current         | 0.65A @ 230Vac                               |
| Operating temperature | -20°C to +50°C; 20% to 90% RH                |
| Storage temperature   | -40°C to +85°C; 10% to 95% RH Non condensing |

## Dimensions

## Safety Standards

- UL60950-1
- TUV EN60950-1
- EN50178
