

# Temperature and Humidity Sensor

Model number:	<b>RB-100-TH</b>
Mounting:	In-wall, dose
Dimensions:	85 x 116 x 44 mm
Connection:	RS485 to HIQ MC controller or Cybro
Frame color:	Black

## Applications

- Widely used in building automation
- Climate and HVAC signal collection
- Integrated use of temperature and humidity and chemical industries etc.

## Features

- High measurement accuracy
- Built-in high-performance microprocessor
- Multiple probes available
- Integrated use of temperature and humidity
- Superior performance and long-term stability
