TVOC, Temperature and Humidity Sensor

Model number:	**RB-100-TVOC-TH**
Mounting:	In-wall, dose
Dimensions:	85 x 116 x 44 mm
Connection:	RS485 to HIQ MC controller or Cybro
Frame color:	Black

Applications

- HVAC and indoor air monitoring
- Widely used in building automation
- Climate,ECO2 and HVAC signal collection

Features

- High measurement accuracy
- Built-in high-performance microprocessor
- Multiple probes available
- Integrated use of temperature and humidity
- Superior performance and long-term stability
